

A close-up photograph of modern, metallic house numbers '9870' mounted on a light-colored wooden surface. The numbers are made of a brushed metal and have a 3D, hollow design. The '9' is the largest, followed by '8', '7', and '0'. The text 'MODERN HOUSE NUMBERS' is overlaid in a white, sans-serif font on the left side of the image.

MODERN HOUSE NUMBERS + H3K DESIGN:

MODERN STYLE

>> Modern House Numbers seem to have come about with Palm Springs specifically in mind. We renovate many mid-century homes of various architectural styles in Palm Springs, California. One of the last pieces of a remodel project is to pick new house numbers. **Modern House Numbers never disappoints with the perfect style to accentuate our designs."**

MODERN HOUSE NUMBERS + SHAUN LOCKYER ARCHITECTS:

WORLDWIDE APPEAL

>>“When I started the practice, I thought it would be a great idea to provide our clients with their street numbers as a housewarming gift, which endured through eight years of practice and are now found on every one of our homes.

Modern House Numbers offer a timeless and unique product that has become part of the signature of Shaun Lockyer Architects and constitutes the ultimate punctuation mark to the story of our work.”

MODERN HOUSE NUMBERS + MUNRO HOMES:

WARM WELCOME

››Munro Homes is a small, custom builder in Western Canada. Our first experience with Modern House Numbers was in 2010 and we have never looked back. **We have 50+ homes with Modern House Numbers and they remain as beautiful and captivating as the day they were installed, even with our harsh winters and hot sunny summers!** Despite the fluctuating US dollar and cost of shipping, the quality product that we receive from Modern House Numbers outweighs any financial objections.”
