Modern House Numbers + H3K Design:

MODERN ICON

>> **Modern House Numbers has the perfect styles to accentuate our designs.**

We renovate many mid-century homes of various architectural styles in Palm Springs, California. One of the last pieces of a remodel project is to pick new house numbers. Modern House Numbers' Palm Springs style seems to have come about with us specifically in mind!"

- Howard Hawkes & Kevin Kemper
H3K Design / H3K Home
Palm Springs, CA

Modern House Numbers + Beau Development:

BOLD STATEMENTS

>> **“Modern House Numbers is our most trusted go-to for address numbers!”**

The variety and quality of products are top-of-the-line, offering the perfect finishing touch to accentuate our homes. “

- Beau Granger,
Granger Family Homes
Beau Development
Kirkland, WA
beaudevelopment.com

Modern House Numbers + Shaun Lockyer Architects:

WORLDWIDE APPEAL

>> "When I started the practice, I thought it would be a great idea to provide our clients with their street numbers as a housewarming gift. This tradition endures through nine years of practice, and **Modern House Numbers are found on every one of our homes.**

MHN offers a timeless and unique product that has become part of the signature of Shaun Lockyer Architects, and constitutes the ultimate punctuation mark to the story of our work."

Modern House Numbers + Hakes Sash and Door:

ONLY THE BEST

>> **If we could pick a “Vendor of the Year”,
we’d pick Modern House Numbers, every year.**

At Hakes Sash and Door we source only the highest quality finish products for our customers and clients. MHN exceeds our expectations for quality, style and customer service every time.”

Modern House Numbers + Munro Homes:

DURABLE BEAUTY

>> **We have more than 50 homes installed with Modern House Numbers!** They remain as beautiful as the day they were installed, even with our harsh winters and hot sunny summers! Munro Homes is a small builder in Western Canada. Our first experience with Modern House Numbers was in 2010 and we have never looked back. Despite the fluctuating US dollar and cost of shipping, the quality product that we receive from Modern House Numbers outweighs any financial objections."

Modern House Numbers + Shaun Lockyer Architects:

Concept to reality:

Let the Modern House Numbers team work closely with yours to create unique custom signage. Send us your ideas including your custom graphics, logos or fonts, and we'll work up an electronic preview of the final design prior to fabrication in the shop. Custom products come with a full-size installation and drilling template to facilitate efficient and effective installation in the field.
