

Number + Letter Viewing Distances

Legibility varies by size, font, character count, installation location and color. To maximize visibility, choose a finish that creates high contrast against the installation surface.

	size / height in inches	example	avg. viewing distance <small>*varies by finish</small>
small	4"	9870	50' or less
medium	6"	9870	100' or less
	8"	9870	150' or less
large	12"	9870	200' or less
	15"	9870	300' or less

Not to scale. For reference only.
