

Plaque Design Options

Characters are stencil cut from a solid aluminum plate, leaving a void. Stencil cut numbers & letters have internal islands with 1/8 inch solid bridges. Refer to the [Plaque Visibility](#) guide for character height and recommended viewing distances. Custom shapes, sizes, orientation, text justification, and additional font styles available upon request. Plaques are best for viewing at close range.

Concealed hardware, drilling template and installation instructions included. Free electronic proof provided prior to fabrication available upon request

*legibility at close viewing distance only

Not to scale. For reference only.
