

## Number + Letter Viewing Distances

Legibility varies by size, font, character count, installation location and color. To maximize visibility, choose a finish that creates high contrast against the installation surface.

	size / height in inches	example	avg. viewing distance <small>*varies by finish</small>
<b>small</b>	4"	9870	50' or less
<b>medium</b>	6"	9870	100' or less
	8"	9870	150' or less
<b>large</b>	12"	9870	200' or less
	15"	9870	300' or less
