

QUICKSHIP TEMPLATE ASSEMBLY

QUICKSHIP NUMBERS & LETTERS

STEP 1

Arrange individual paper templates in desired order. Gather supplies: tape and ruler (not included). *For horizontal arrangement, go to step 2A. For vertical arrangement, skip to step 3A.*

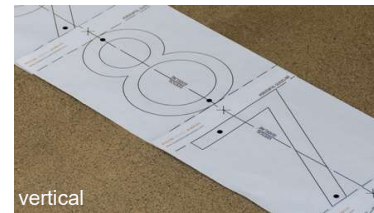

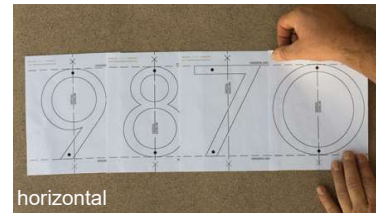

STEP 3A: VERTICAL ARRANGEMENT

Align templates vertically using labeled vertical guideline.

STEP 2A: HORIZONTAL ARRANGEMENT

Align templates horizontally using labeled guidelines at top and bottom.

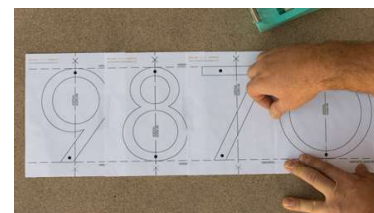

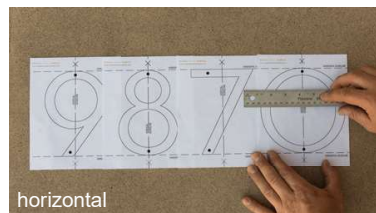

STEP 3B: VERTICAL ARRANGEMENT

Align "X" marks on each template at top and bottom to achieve equal spacing between each number. Keep vertical guidelines aligned. Overlap of paper template edges is to be expected.

STEP 2B: HORIZONTAL ARRANGEMENT

Determine your desired spacing between numbers. Use a ruler to measure the space between each number. Overlap of paper template edges is to be expected. Skip to step 4.

STEP 4

Use clear tape to connect individual templates together. Keep guidelines straight, maintain your desired spacing. This is your drilling guide. Overlap of paper template edges is to be expected.
