INSTALLATION INSTRUCTIONS

SINGLE USE CURB STENCIL DECAL

STEP 1

Gather supplies - curb stencil, (not included: spray paint, paper roll, and masking tape). Note: curb stencil should not be applied in wet or freezing conditions.

Clean concrete surface of loose debris and press stencil \(\text{\text{Mrmly}} \) and evenly onto concrete at desired location. Remove front transfer \(\text{\text{Mm}} \). Tape all edges.

STEP 3
Protect adjacent surfaces with paper.
Paint stencil. Be careful not to over spray.

STEP 4
Allow paint to dry. Once dry, slowly remove stencil.
